

**To:** The Honorable Mayor and City Council  
**From:** Maxine Calloway, Community Planning & Development Director  
**Date:** April 9, 2013  
**Re:** Transmittal of Annexation Application – Proposed Area 2

**RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, APPROVING SUBMITTAL OF AN APPLICATION TO MIAMI-DADE COUNTY TO ANNEX INTO THE CITY AN AREA BORDERED ON THE WEST-SIDE BY NORTHWEST 16TH AVENUE, ON THE EAST-SIDE BY NORTHWEST 13TH AVENUE, ON THE SOUTH-SIDE BY NORTHWEST 131ST STREET AND ON THE NORTH-SIDE BY NORTHWEST 135TH STREET, IDENTIFIED AS THE SUNKIST GROVE ANNEXATION AREA (AND OTHERWISE KNOWN AS, "AREA 2"); PROVIDING FOR AN EFFECTIVE DATE AND ALL OTHER PURPOSES.**

### **REQUEST**

That the Mayor and Council adopt the proposed resolution authorizing City Administration to transmit the proposed annexation application to Miami Dade County for the area bordered on the west side by NW 16<sup>th</sup> Avenue, on the east side by NW 13<sup>th</sup> Avenue, on the south side by NW 131<sup>st</sup> Street and on the north side by NW 135<sup>th</sup> Street (also known as Sunkist Grove Annexation Area); and; in accordance with the Boundary Change Procedure of Article 1, Section 20-3 of the Miami Dade County Code of Ordinances.

### **BACKGROUND**

Policy 8.1.7 of the City's Comprehensive Plan encourages the City to actively pursue development and growth management opportunities through several mechanisms including but

not limited to exploring annexations where necessary; Additionally, Policy 1.1.10 requires that the City conduct a study to determine the feasibility of annexing unincorporated County owned properties that are contiguous to the City's boundaries; As such, at its' February 22, 2011 meeting the Mayor and Council adopted Resolution R-2011-23 authorizing City Administration to conduct data an analysis to determine the feasibility of annexing Annexation Area 2. City Administration completed its analysis of the proposed annexation and determined that the existing unincorporated enclave would be of benefit to the City, and due to its unique location (which engulfs the subject area on all four sides), it could be more efficiently served by the City as opposed to Miami-Dade County.

### CONCLUSION

Staff is of the opinion that the proposed annexation application is in keeping with the intent of Section 20-7 A(1)(c) of the Miami Dade County Code which seeks to eliminate the creation of such enclaves and create more cohesive, inclusive neighborhoods throughout the County. If approved the subject annexation would eliminate the current unincorporated enclave and create a seamless transition within the Sunkist Grove neighborhood.

It should be noted that Section 20-3 (H) of the Miami Dade County Code, requires that since the subject area contains greater than 250 registered voters (staff analysis indicates a total of 410 registered voters) the City must obtain petitions representing the consent of twenty five percent (25%) plus one (1) of all electorate in the subject area (**a total of 104 petitions needed**). However since the area has greater than 250 registered voters and is greater than 50% residential, no election shall be required. **To date the City has obtained 106 petitions from registered voters within the subject area.**

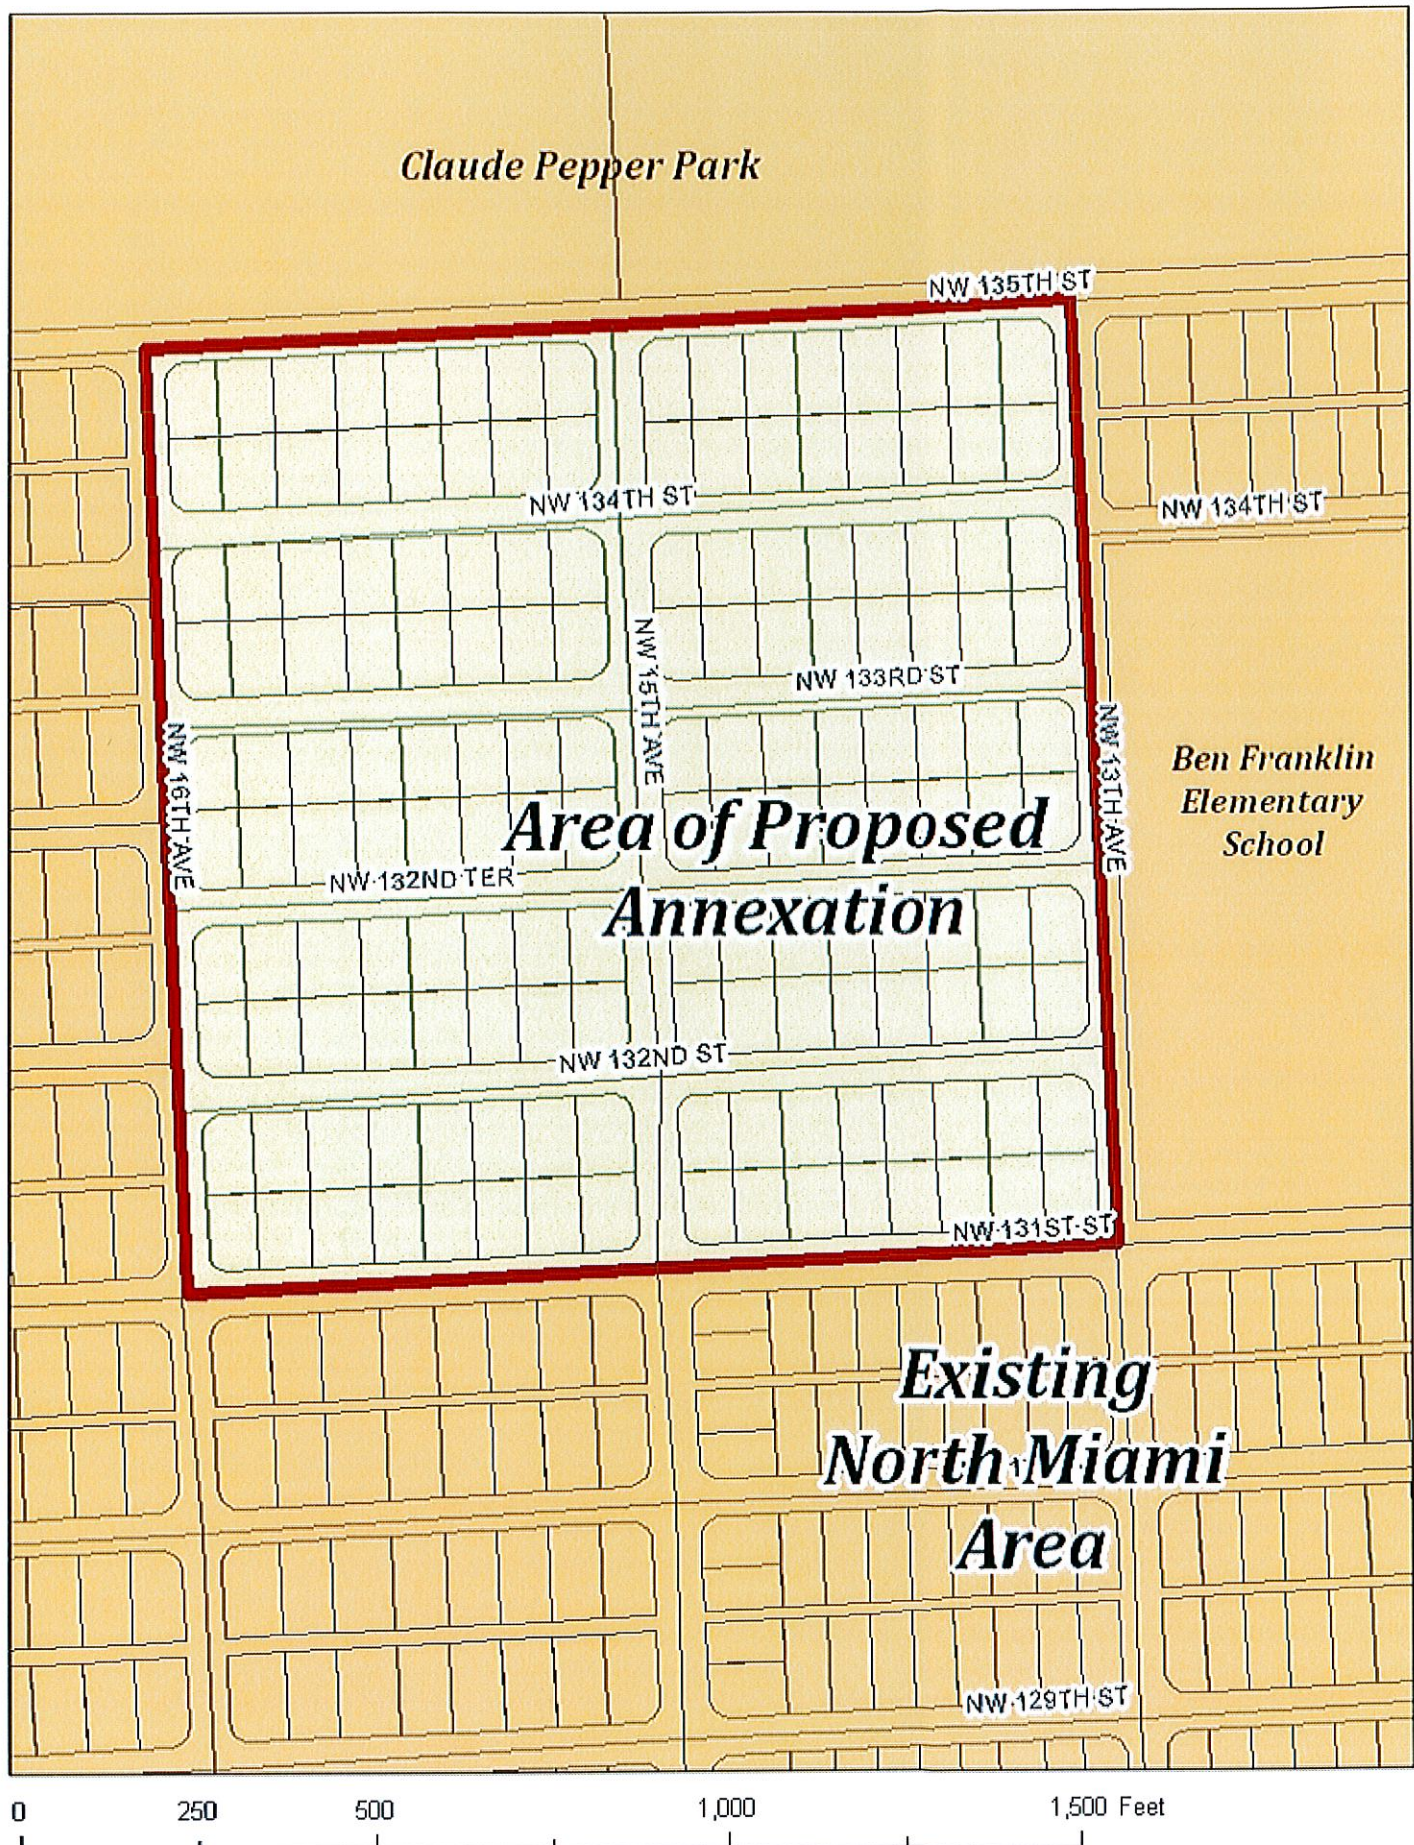

Staff believes the City has met all the annexation requirements outlined in Chapter 20 of the County Code and as such requests that the Council approves the proposed resolution and authorize staff to transmit a formal application to Miami Dade County Clerk for review.
